  - 4 stroke and turn officials from New Jersey. Two of these are starters and one is a referee

### L. Event Coordinator (P. Morchio)

- Per Chris:

\$7,522.25	Banquet BRCC cost
\$1,902.76	Additional Expenses (Guest Speaker travel/charity, door prizes)
<u>-\$1,560.00</u>	Collected from guests
\$7,865.01	Total LMSC Costs
- Banquet feedback (from Paola's 10/20 email):
  - **Dinner Service:** Although we tried a plated dinner this year, it took too long for the food to be brought out. In my opinion, the buffet format may work better, as it allows people to move around, mingle, and socialize while getting their food.
  - **Event Atmosphere:** The main goal of the banquet should be to bring people together and encourage interaction. When everyone remains seated for most of the evening, it works against that goal. A more dynamic setup would create a friendlier and more engaging environment.

## New Jersey LMSC Annual Board Meeting Minutes

10:00am Sunday, Nov 30, 2025

- **Door Prizes:** The door prize portion could be better organized. When drawing a ticket, the prize and donor should be announced clearly. This adds recognition for the donor and makes the process more enjoyable for attendees.
