- Other business discussed was expenses for delegates sent to convention. As Championship Committee Chair, Jim Clemmons' registration and convention costs will be paid by USMS. Jim is working with Jessica at the National Office to verify. Jill Wright will also go to convention and will have a vote as part of the Long Distance Committee. Half of her airfare and hotel expenses and all of her convention expenses will be covered by the NW Zone. The remainder will be covered by the Snake River LMSC. After discussion it was moved by Suzy, seconded by Brigitta and approved to incur these expenses to send Jill to convention in September.
