## Summer Nationals in a Truly Olympic Venue

U.S. Masters Swimming members will have the opportunity to compete in the world's fastest pool at the 2012 Marriott USMS Summer National Championship July 5–8 in Omaha, Neb., more commonly known as “Swim Town USA” since it hosted the 2008 Olympic Trials, where nine world and 21 American records were broken.

Now imagine the thrill of diving off the same blocks and swimming in the same lanes just three days after Michael Phelps, Natalie Coughlin, Ryan Lochte and the rest of Team USA's elite swimmers finish competing for spots on the 2012 U.S. Olympic team.

The CenturyLink Center Omaha is transforming its spectator-friendly convention center arena into a world-class swimming facility. Myrtha Pools' construction of the temporary swimming facility inside the arena and the adjacent convention center is scheduled to begin on May 25 and be assembled from more than 50,000 parts. Once filled, the competition and warm-up pools will contain 2 million gallons of water.

The competition pool will be 50 meters long, 25 meters wide and 2.5 meters deep. Each of the 10 competition lanes will be 2.5 meters wide and have Myrtha's Track-Start starting blocks at each end. Myrtha Classic Overflow gutters will minimize turbulence. An eight-sided video scoreboard, sus-

pended in the center of the arena, will provide live video of swimming and results, making it easy to catch the action from any angle.

The warm-up facility, which will contain eight 50-meter lanes and five 25-meter lanes and starting blocks, will be housed in Halls A and B of the convention center, approximately 25 yards away from the competition pool.

### SPECIAL WAYS TO SUPPORT THE 2012 SUMMER NATIONALS

1. Become a “Friend of Summer Nationals” when you enter the meet: \$50
2. Purchase access to the Hospitality Village when you enter the meet: \$175
3. Become an event sponsor (contact Kyle Deery at [kdeery@usms.org](mailto:kdeery@usms.org) or 941-556-6274): \$200
4. Register for the swim clinic on July 4 with Olympians Rowdy Gaines and Misty Hyman: \$90
5. Bring your team with 20 swimmers or more and receive preferred seating

A total of 3,500 stadium-style seats will accommodate swimmers during Summer Nationals. Teams with 20 or more members will be assigned seating closest to the pool deck. The competition pool will be directly accessible from the seating area.

## EARLY BIRDS CAN WATCH TRIALS OR SWIM WITH OLYMPIANS

Swimmers can stoke their excitement by attending Olympic Trials before Summer Nationals. Information on purchasing tickets and travel packages for the Trials June 25–July 2 is available at [usaswimming.org](http://usaswimming.org). During Trials, workouts for USMS members will be available at a nearby pool at no charge, courtesy of the Nebraska LMSC. More information will be included in the pre-event emails.

On July 4 from 3–6 p.m., Rowdy Gaines and Misty Hyman will conduct a clinic, “Swim with Olympic Gold Medalists Rowdy Gaines and Misty Hyman,” that will include in-water technique work and a question-and-answer session on training, race preparation, starts and turns.

The clinic, to be held in the warm-up pool of the Olympic Trials venue, will be limited to 50 swimmers and cost \$90. Participants can enroll when registering for the meet online.

The CenturyLink Center Omaha lies in the heart of the downtown, and within walking distance of museums, restaurants, coffee shops and performing arts centers. Omaha boasts five Fortune 500 companies and is the place billionaire philanthropist Warren Buffett calls home.

You won’t have to walk far to satisfy your appetite after the meet. Renovated historic buildings just south and west of the CenturyLink Center Omaha host the downtown hotspots The Mattress Factory, The Capitol and DJ’s Dugout. One block south of the pool is Farrell’s 902 Bar. Spencer’s Steakhouse is on the first floor of the nearby Marriott Garden Inn, and the Liberty Tavern restaurant is in the Hilton Omaha Hotel, attached by skywalk to the CenturyLink Center Omaha.

## WALK TO SHOPPING, MUSEUMS AND PERFORMANCES

The 3,000-foot-long Bob Kerrey Pedestrian Bridge, with its 15-foot-wide walking space, spans the Missouri River just north of the CenturyLink Center Omaha, connecting Nebraska and Iowa with hundreds of miles of trails. At night, lights outline most of the bridge’s structures, creating a spectacular sight.

Also within walking distance of the facility and downtown hotels are the Durham Museum, a converted Union Pacific train

station housing the city’s most comprehensive historical information and archives; the Omaha Children’s Museum, which boasts many technologically innovative and interactive displays for children; the Joslyn Art Museum, built in 1931 and consisting of 20 galleries of 19th and 20th century art from Europe and America; and the Holland Performing Arts Center, a venue for music and theater performances and home of the Omaha Symphony.

The Old Market, once the city’s warehouse and railroad district, is one of Omaha’s most popular attractions today. It boasts more than 30 restaurants, art galleries and coffee houses, and numerous one-of-a-kind shops.

A short walk from the Old Market is the 31-acre Heartland of America Park bordering the Missouri River. The park boasts a manmade lake with three fountains, one of which shoots water 300 feet into the air. You can take a boat trip on the General Marion, take a gondola ride or stroll on the walking trails.

Adjacent to the Old Market is Gene Leahy Mall, also known as Central Park Mall. Leahy converted the previous site consist-

ing of run-down warehouses into a 9.6-acre park with a lagoon, walking paths, waterfalls, two huge slides, a horseshoe pit and an amphitheater.

The Henry Doorly Zoo, ranked annually as one of America’s best zoos, is located just south of Interstate 80. Stroll over a swinging bridge in the largest indoor rain forest and desert dome, catch a feature in the IMAX theater or peer through the glass at sharks in the 70-foot-long viewing tunnel at Scott Aquarium.

Swimmers won’t want to miss this unique opportunity to feel like Olympians, racing to their own greatness in this fastest-of-the-fast swimming facilities. Jacki Allender, chief judge for Olympic Trials, will be meet referee for the USMS event. Administrative referee Herb Schwab and many experienced officials and volunteers from the Nebraska LMSC will keep the meet running like clockwork.

“People who never go to Nationals want a chance to swim in the Olympic Trials pool,” says meet director Tom Boak. “It’s a once in a lifetime opportunity.”—SUSAN DAWSON-COOK

## MEET INFORMATION

2012 Marriott USMS Summer National Championship

### Location

CenturyLink Center Omaha  
455 N 10th Street,  
Omaha, NE 68102  
402-341-1500

### Facilities

Please see the first page of the Summer Nationals Preview for a detailed description of the competition facilities.

### Eligibility

Participants must be registered USMS swimmers (for international entries, see below) and at least 18 years of age as of July 4, 2012. Eighteen-year-olds must enter the meet by the entry deadline and only 18-year-olds may register with USMS on July 4, 2012, at the venue. International entries must include a copy of the swimmer's Masters swimming registration card and fees in U.S. dollars.

### Age Groups

Age for the meet is determined as of December 31, 2012, except for 18-year-olds, who must be 18 by July 4, 2012. Age groups for individual events are 18-24, 25-29, 30-34, 35-39 ... (five-year increments as high as necessary) and for relay events are 72-99, 100-119, 120-159, 160-199, 200-239, 240-279, 280-319, 320-359, 360-399 ... (40-year increments as high as necessary). The aggregate age of the four relay team members determines the relay age group.

### Registration

Prior to warm-ups or competition, all participants must register at the meet by signing an emergency card, safety information statement and liability release. Registration will be held at the CenturyLink Center Omaha on July 4 from 3 to 7 p.m., and on all other days from 6:30 a.m. through the end of that day's competition.

### Seeding

All events—with the exception of the 1500, 800 and 400 freestyles and 400 IM—will be preseeded unless meet management determines that the meet cannot be completed in a timely manner. A decision regarding pre-seeding and deck seeding for all 100-meter and 200-meter events will be announced at usms.org by June 22. All 50-meter events will be preseeded. One course will be used for all events. Women's heats will precede men's

heats for each event, except that men's and women's heats may be seeded together for the 1500 and 800 freestyles. A decision regarding this will be announced at usms.org by June 22. The 1500 and 800 freestyles and 400 IM will be seeded slowest to fastest by entry time, regardless of age. The 400 free and all 200 events (if deck seeded) may be seeded slowest to fastest by entry time, regardless of age. All other events will be seeded by age group, with the oldest age groups first, slowest to fastest within each group.

### Event Check-in

Coaches or teammates may check in online or in person for swimmers whose travel plans do not permit check-in by the deadlines. Any swimmer failing to check in will be scratched from that event and will not be permitted to swim that event at another time.

### Heat and Psych Sheets

Psych sheets for all individual events will be available at usms.org around June 15. Heat sheets for preseeded events will be available online around June 22. Heat sheets for deck-seeded events will be posted at various places around the pool deck for swimmers after the check-in deadlines.

### Warm-up Times

The competition pool will be open for warm-up on July 3 from 4 to 7 p.m. and on July 4 from 3 to 7 p.m. On competition days, both the competition pool and the warm-up pool will be open from 6:30 a.m. until 7:50 a.m. and the warm-up pool will be available from 7:50 a.m. until the conclusion of the day's final event. The competition pool will be open for at least 30 minutes following the last event each day and until at least 7 p.m. on July 5.

### Meet Start Times

The competition will start at 8 a.m. every day unless it is determined that the timeline will go too late into the day; then competition may start as early as 7:30 a.m. on any day. Meet start times will be announced at usms.org by June 22. Warm-ups in the competition pool will be shortened if necessary to accommodate an earlier start time.

### Warm-up Procedures

Swimmers must enter the pool feet first in a cautious and controlled manner. No diving or backstroke starts will be allowed, except in designated sprint lanes. One or two lanes will be designated as one-way sprint lanes during the pre-meet warm-up sessions in the competition and warm-up pools and in supervised lanes in the warm-up

pool during competition. Any swimmer who acts in an unsportsmanlike or unsafe manner in the swimming venue may be considered for appropriate action or penalty by the referee (rule 102.13.3). Pull-buoys, kickboards, fins, hand paddles and snorkels are not allowed in either pool during warm-ups.

### Scratches

Any swimmer failing to report to the proper lane in the correct heat of an event will be scratched from that event and not permitted to swim that event at another time.

### General Meeting

All swimmers, coaches and officials are encouraged to attend or be represented at a general meeting at the CenturyLink Center Omaha on July 4 at 6 p.m. in the stands adjacent to the competition pool. Matters pertinent to the operation and conduct of the meet will be discussed.

### Friends of Summer Nationals

U.S. Masters Swimming has made a major financial commitment in order to bring our Summer Nationals to this facility. You can provide additional support by becoming a "Friend of Summer Nationals" for \$50 when you enter. "Friends" will be recognized in the official program as supporters of Masters swimming.

### Hospitality Village

A pass to the Hospitality Village may be purchased at the time of entry for \$175. This will entitle you access to the hospitality area adjacent to the warm-up pool. It will include all-day food and beverage service plus full breakfast (7-10 a.m.) and lunch (11 a.m.-2 p.m.).

### Event Sponsorship

An individual or club may sponsor an event for \$200. Event sponsors will be listed in the official program and on a banner at the pool. Contact Kyle Deery at kdeery@usms.org or 941-556-6274.

### Online Entries

Online entry is encouraged and provides immediate entry confirmation. Enter at usms.org/comp/lnats12. Online registration will open no later than April 1, 2012, and will close at midnight CDT on May 31, 2012. The meet surcharge increases from \$50 to \$60 on May 9 (see **Entry Deadline/Variable Surcharge/Mail Entry** for dates applying to both online and paper registration).

### Paper Entries

Use official entry form or a photocopy of the entire form. Read all instructions and fill out the form completely. Incomplete forms or forms with

"pending" in place of a USMS registration number will be rejected (except for entries for 18-year-olds who turn 18 after the meet deadline, but before the first day of the meet, who must enter the meet by the meet entry deadline, but may register for membership at the venue on July 4, 2012). A legible copy of foreign swimmers' Masters registration card must accompany the entry form. If club affiliation differs from what is listed on a swimmer's USMS registration card, the swimmer must send a copy of either a new USMS registration card or a letter from the local registrar stating the new club affiliation and effective date.

### Fees

Fees are \$5 per individual event plus a surcharge per swimmer. The surcharge varies according to date of entry (see **Entry Deadline/Variable Surcharge**). Fees must accompany the entry form and be paid in U.S. dollars by check or money order. Do not mail cash. The entry is not complete until the check has cleared the bank. If there are questions about an entrant's check, full cash payment in U.S. dollars will be required onsite before the entrant is allowed to swim. Refund requests must be received in writing (USPS or email) by May 31, 2012. No refunds will be given for events not swum. Relay swimmers not entered in an individual event must also pay the surcharge. Relay-only swimmers must submit an entry form with payment by the entry deadline. All fees should be payable to U.S. Masters Swimming.

### Entry Deadline/Variable Surcharge/Mail Entry

### National Qualifying Times/Number of Events/Sixth Event

Competitors may enter up to three individual events without meeting the national qualifying time, or a maximum of six events if they meet the NQTs; i.e., have swum a time equal to or better than the NQTs during the past two years. **Exception: Competitors entering the 1500 free must meet the NQT.** Visit usms.org/comp/NQT-FAQ.pdf for more about NQTs. All swimmers are limited to three individual events per day. All events must include an entry time. If the meet is deemed too large, an athlete's sixth event may be dropped. On the entry form, indicate this event with a "6" in the designated column. If a swimmer enters an event with a time significantly slower or faster than a time the swimmer has recorded in the previous two years, the meet director may change the seed time after a discussion with the swimmer.

### Distance Events

Swimmers may enter either the 1500 or the 800 free but not both. Swimmers entering the 1500 free must meet the NQT.

### Relay Information

Relays can be entered until 4 p.m. of the day before the relay is scheduled. Each competitor is allowed to swim only one freestyle relay, one medley relay, one mixed freestyle relay and one mixed medley relay. The entry fee for each relay is \$16. Relay entries may be submitted at the relay desk in the registration area. Each of the four members of a relay team must be registered with the same Masters club. Relay entry fee is in addition to fees for individual events. Relay entry forms are available for download at usms.org.

### Time Verification (formerly OVCs)

Swimmers needing verification of times or wishing to have their times entered into the USA Swimming SWIMS Database (for entry into USA-S national meets) should complete a form at the meet prior to the swim. Contact the administrative referee at the meet.
